My Struggle?

- I was frustrated
- couldn't get along with the pastor
- had a tough time with people
- discouraged about being judged
- fear of rejection of my art/music
- didn't know how to lead a church band
- didn't know how to balance personalities
- wanted a clear path and direction from God.

My Breakthrough?

- It only took a second to realize
- It only took one person
- It only took hard work
- It only took the frustration away
- It only took joy to fill my heart

I want to share with you more about **HOW** this changed me...
